OUR CHURCH VISION

*"A place to call home,
glorify God and be
equipped to transform
communities with the
Gospel of Jesus Christ."*

OUR VISION & MISSION

Our VISION at RED Point Worship
is to HOST the PRESENCE through
ANOINTED and VIBRANT WORSHIP

Our MISSION

We Serve our King Jesus with
excellence, led by the Holy Spirit
in all that we do. Growing in
personal and corporate worship
with gratitude and sincere hearts.

HOW WE WORK TOGETHER

Have KINGDOM CULTURE

1. Honour and respect one another. Good stewards of the facility, instruments and all that God has provided.
2. Being servant-hearted in all that we do.
3. Come prepared and prayed up.
4. On-time for practice sessions and all other meetings.
5. Open sharing of ideas and respecting each other's views. We listen without interrupting and with the intent of understanding instead of just responding. Final decisions rest with the team leader.

6. Always seeking the best outcome for the team and collective mission
7. Aligning our vision with the Redemption Point Church vision.

I pray that your partnership with us in the faith may be effective in deepening your understanding of every good thing we share for the sake of Christ.

Philemon 1:6
